I came out to visit Marc, but when I got to his house, there was a photo shoot going on. Marc saw me drive up and said I could come in and watch if I wanted to. I said okay and found a spot outside. Then the photographer saw me and came over to introduce herself. She asked if I would pose for her, and I did. Do you like the photos?

a marvelous look at the
**PEARL
NECKLACE**

Lance and Suzie weren't rich by any means, but Lance loved to spoil his wife by giving her a pearl necklace whenever he could. Suzie was generally appreciative, although not when Lance unexpectedly misfires and shoots her in the eye instead.

What is a pearl necklace? Well, for those not in the know, one way to describe it is as the passionate result of a man shooting his cum onto his lover's neck, upper chest, shoulders, and/or boobs. Some say that it's the most wonderfully affectionate and affordable gift for a husband to give his newly-wed bride on their wedding night, or any day or night.

a marvelous look at awesome cum

“My boyfriend promised me a pearl necklace. So we’re lying in bed and I’m waiting for him to pull out a jewelry box. Instead he pulls out his cock and sprays all over my chest! WTF!!!”

“Last week I told my girlfriend that I had a surprise for her. We had only been together for a couple months, and while the sex has been pretty good, I wanted to do more than just cum in her mouth. So I learned about the pearl necklace and unknown to her, I practiced shooting on a towel until I got the right pattern down. Then, we’re in bed and I pull out of her mouth and shoot on her boobs, and yelled ‘Surprise!’”

a marvelous look at jizzed titties

"I have size DD boobies and I love them. My boyfriend loves them, too. He loves them so much that he takes pictures and videos just of them. No face, no pussy, just boobies. But that's okay by me. I'm flattered and, thankfully, it isn't a weird obsession, just some clean sexual fun. Some of his best shots are after he cums all over my boobs. He calls it a pearl necklace. A short while ago he started a photo album of my boobies and there's an entire section devoted to pearl necklaces!"

One of the biggest reasons I live in L.A. is the weather. I love being outside and I love to do shoots outside. But all that sun is not good for me and I have to use lots of lotion, especially on my boobs. They burn easy and are quite sensitive. I hate putting lotion on by myself, so I'm hoping you can help!

My chest blossomed when I was in my second year in college. I remember that my bra size was 34C, but when I bought some new clothes for school, I had to go up to a 36 DD. I couldn't believe it they grew like that. But now I like them, and so do all the guys and girls I hook up with. This is the perfect size. Don't you think?

I KNOW WHAT GIRLS LIKE... I KNOW WHAT GIRLS WANT

It's always very difficult to think about what to get your wife for your anniversary. We've been married for twelve glorious years and it gets harder every time. Last year was a trip to Paris. For our tenth it was a new car. But I've been sweating this one for a long time. So I decided to ask one of Summer's co-workers to come to dinner Sunday evening to try and get some information out of her that I could use. Summer liked Haley so we were going to have a great time.

While I was in the kitchen getting our drinks, they were in the living room watching television. I walked into the living room just as the TV camera scanned a panel of stewardesses on a news show. I said, "Some of those girls really look cute. I never get any that good looking on any of my flights." That seemed to get them talking about women. I turned around and headed back to the

kitchen after giving them their drinks.

I heard Haley ask Summer 'just between us girls' if she had ever had a different sexual encounter? Something other than a guy. Summer said she hadn't. I strained to hear what they were saying.. Unfortunately, I couldn't make it out in their hushed tones. Summer said, "Shush, Cade is right in there. He might hear us" I looked between the doorjamb and the doors edge. Summer nodded her head yes, and said, "but only if I was involved." Then I thought I heard Haley say, "It's Darya, the new legal consultant." I walked back into the room and Haley continued as if it was girl talk, but by now I got it. "I have never had that much to do with her department. She's not around that much, but there is some talk about her." "What? Tell me." Summer says. "They say that she does both guys and gals. But I've never talk-

ed to her." says Haley.

The next day Haley called me to say Darya was in the office this week and that I should call her with something about Summer and feel her out. I had a couple ideas, but how was I going to get this Darya to our house? How was I going to bring it up about a threesome? I continued to devise a plan over the next few days.

"Hello, this is Darya Hoffman speaking." came the rather professional sounding voice on the other end. "How may I help you?" she said.

"Darya, this is Cade Brown, Summer's husband. Would you have a moment speak with me?" I said, gathering up more courage.

*tonight my gift is me.
my gift is something special
i've never given before.
the gift of a pearl necklace.*

"Yes. Cade what is it?" she asked.

"If you have the time, I'd like to discuss it over lunch tomorrow. My office is just a couple blocks away. And I thought we could meet at the Belaire." I said.

"Well okay, I guess that will be fine. I have a 2:00 meeting so I must be back by then." she replied.

"That will be fine, I'm sure we'll be finished well before then." I said. That entire night I tried to figure out how to bring up the subject of her doing a threesome for our anniversary. She's a complete stranger and to ask something like this is very risky for my wife's employment.

We met for lunch at one the next day. She was in her mid-twenties, very attractive, and dressed in business casual. I had on my best suit and tie. We were led to

*At least 18 yrs of age. Credit card/adults 18+ only

our table and ordered drinks and lunch. I told her what I had to say was very difficult but in the business world you have to make the most of the contacts you have. I explained how awkward it was to be there but my back was against the wall and she was the only one I knew that could possibly help. "Well, Cade, spill it, tell me what it is. You've kept me guessing for the last half hour." she said.

"Okay Darya," I said taking a big gulp of wine. "Right up front – I understand that you're bisexual." She sat back abruptly in her chair. Cornered, she said that she was and had always been.

"But how is that a concern of yours?" she asked me. I told her my anniversary gift woes and wanting to surprise my wife with a three-way and I didn't know how to find a willing partner.

"And you want me to do it?" she asked.

"No, that's not my intent. I was just wondering if you knew anyone that might consider this with us." I said awkwardly. She visibly relaxed and called for the check.

"Please let me think on this for a day and I'll get back to you. You don't mind if I look up Summer at the office, do you?" she said.

"No, please do." I said and handed her my business card so she could call me.

A couple days passed and I thought Darya had blown me off. Then as I'm wrapping up my day, the office phone rings and it's Darya. She apologized for calling later than sooner but the job, you know. I told her I knew exactly how that was. Then she asked "Cade, is she totally straight? Sexually, I mean."

"Yes she is. She's never been with a woman, but has expressed an intrigue about it for many years

and now I'm getting around to doing something about it." I replied.

In a very business-like demeanor she asks how long we've been together, how long married, if I had ever cheated on Summer, etc.? I felt like I was getting a good grilling, but understood the circumstances and answered all her questions. At the end, she said she would like to do it. She saw

er together and jumped into bed. Summer kissed me and I kissed her back with more enthusiasm. She responded and kissed me back. Summer pulled the bed covers off of us. Her large, beautiful breasts were out and asking to be taken. She reached down to my cock and lightly stroked it to full attention.

I hadn't even touched her pussy

Summer at work and thought she looked like a sweetie. We talked on and devised a plan for that Friday night. Our 12th anniversary.

I told Darya I was taking Summer out to dinner and we should be back about 10 pm. I would leave the side door open for her to slip in while we were out and as we were in bed having our anniversary fuck, she would sneak in and surprise us. She was okay with that and said see you Friday night. I got a woody just thinking about it.

Friday night Summer and I talked as we always do over dinner. We had a bottle of wine with dinner. While finishing our meal, Summer asked why I had such a devilish grin on my face. I shrugged my shoulders as if not knowing what she meant. We finished dinner and headed home. Spent from the long week, we took a quick show-

yet and I could smell the heavy female pheromone coming from her loins. I threw the covers back to the foot of the bed. Summer was on her back and still moaning in anticipation. I moved down to her honey pot and plunged my tongue in as far as I could. She really started moaning then.

This was Darya's cue. The first scream from Summer. She snuck in quietly and replaced my tongue down there with hers. Summer did not feel the change and continued enjoying her pussy being eaten. Darya dove right in and I laid back not moving a muscle and watching this lickfest inches from to me.

Still on her back, I climbed her body and straddled her face, inserting my cock into her eager mouth. All of a sudden she realized I couldn't be licking and face-fucking her at the same time. Be-

cause she was in no position to see down there, she surrendered to the feeling. As her passion increased, she pushed my cock up and shoved my balls into her mouth. I felt her body squirm in the throes of sex, her legs opening and closing with Darya's attentions to her pussy.

After a few minutes, Darya and I changed places. She finally got to see the her cunnilinguist. "Darya?" she moaned. Darya put a finger to her lips and got on her knees to sit on Summer's face with her back to me. I could hear her telling Darya to fuck her face. I grabbed Darya's boobs from behind and molded them as if they were pie dough. I reached down between Darya's butt cheeks from behind and felt for her butthole. She responded by lifting her butt a little, but in doing so pushed her pussy deeper into Summer's face.

Summer screamed for me to fuck her and I shoved my cock at her saturated pussy lips. I gently pulled Darya off Summer's face and laid her on her back on the bed. Both Summer and I now got to see her beautiful bald pussy.

Summer positioned herself between Darya's legs and pulling them open, planted her face into Darya's pussy starting at her clit and working down to her butt hole. Darya jerked when Summer's tongue reached her ass. Darya lifted her butt and Summer started licking her ass. She lubricated her finger in Darya's pussy and slowly worked it inside while licking her. I watched with amazement not realizing my wife was so adventurous.

Darya and Summer switched to a sixty-nine. I have never watched two ladies having sex in front of me. Darya was on top and I got behind her and jammed my woody into her hot pussy as Summer was licking it. Summer reached up and played with my balls.

Soon we were fucking in harmony. Every thrust in with my cock into Darya would thrust her tongue deeper into Summer's pussy. Summer would do the same to Darya's clit, and still licking my balls. I increased my speed and with one hard inward thrust, I stopped just to feel Darya's pussy pulsate on my dick.

I continued pumping her hole. I was about to empty my balls as she was about to cum as well. Summer was doing a fantastic job bringing Darya to orgasm. We lay there for a while to catch our breath. My cock wasn't ready to quit. Just watching these ladies totally naked with their gorgeous big boobs lay there cooing and touching each other made my cock come back to an erection.

Darya turned to me and motioned me over with her finger. I knelt beside her and she started sucking my dick. She went all the way down to the base making shush sounds coming back up. My woody was up to its full potential in no time. Summer was fingering Darya's bald snatch in harmony with her sucking my cock. Summer smeared some of Darya's female juices around her asshole in preparation for me.

I pulled Darya to her knees and on all fours. Summer pushed my butt into position and I slowly stuck the head in and she squealed. One inch, two, three. With each thrust I plunged a little deeper. I had about seven inches in her dark star and Darya was screaming for more. Soon I had my balls resting on her butt cheeks. I stayed there and flexed my cock in her ass. My tool was going to depth with each hard pump.

Summer was getting off just listening to Darya as she threw herself backwards wanting all I had. Then the two got on their knees in front of me. Summer pumped my cock into her mouth to force my orgasm faster – and I spurt a huge load into it. The splooge was so much that it dripped out of her mouth. That's when Darya leaned in and tongue kissed Summer sharing my man juice. It dripped down to her chest making the most perfect pearl necklace.

So now I have to ask, "How was your twelfth anniversary?"

Vanessa Blue

I knew I'd have big boobs early on in life. My mom had big ones and by the time I was eighteen I was a double D. Now, it really doesn't matter, the only people that seem concerned about them are my boyfriends. And they all love them. They like squeezing them, batting them around, and they like it when they shove their cock between and fuck them.

I'M 5'3" AND MY BOOBS ARE 36G!

"Come find me, lover." That's what I used to say to the guys in the office. I used to fuck six of the eight I worked with. I tried to keep it quiet but, you know, guys talk. That's when one came to me and asked if I do it with him and his friend in the next cubicle. "Of course!" I said, and did. Then we stayed after work, and when it got dark, we did it again.
